Macromolecules Study Guide

View Notes - Macromolecules Study Guide from BIOLOGY AP Biology at John A. Rowland High. Organic Macro-Molecules -Carbon based molecules -Organic= -great structural (back-bone) molecule. -has e- for

Macromolecules | Biology | Science | Khan Academy

There's an old saying, "You are what you eat." In some senses, this is literally true! When we eat food, we take in the large biological molecules found in the food, including carbohydrates, proteins, lipids (such as fats), and nucleic acids (such as DNA), and use them to power our cells and build our bodies. Dive into the different types of macromolecules, what they are made up of, and how ...

Macromolecules and Cells – Study Guide

The Atom and Cells – Study Guide This study guide is to help you understand and recall all the concepts that will be included on the test. Please be aware that it is not to be used as a replacement for studying your notes, daily agendas, and labs. It is only to be used as a supplement. Macromolecules: 1. List the four macromolecules.
