

# Download Road Maintenance

## Road Maintenance | Spokane County, WA

Road maintenance activities are prioritized in a way that address potentially dangerous situations first, followed by regular repairs, then preventive maintenance as funds allow. Road Restrictions and Delays

## CHAPTER 7 ROAD MAINTENANCE

Road maintenance is essential in order to (1) preserve the road in its originally constructed condition, (2) protect adjacent resources and user safety, and (3) provide efficient, convenient travel along the route.

## Road Maintenance, Highways Maintenance | Definition, How To

Definition of Road Maintenance: Preserving and keeping each type of roadway, roadside, structures as nearly as possible in its original condition as constructed or as subsequently improved and the operation of highway facilities and services to provide satisfactory and safe transportation, is called Road Maintenance or maintenance of highways.

## Road maintenance services

Whenever there is a strong and steady rainfall, Road Services maintenance crews respond to roadside flooding incidents. The majority of the calls we respond to are due to leaves and litter clogging storm drain grates. If you notice more than two inches of standing water on your property or in the roadway, we recommend you call the 24/7 Road ...
